TransCen
WORKLink

Let's Get to Work!

Harbor Regional Center is proud to sponsor a series of trainings designed to empower Service Providers in promoting employment and enhancing job outcomes for the individuals we support. Join Sara Murphy, Senior Training Associate with TransCen's San Francisco office, WorkLink, and a respected thought leader in the field, for these dynamic and insightful sessions that will equip participants with practical strategies to expand employment opportunities.

Presented by:
Sara Murphy

Registration is required. Register today!

One-Day Training
Community-Based Day Services:

Building skills, confidence & pathways to employment.

June 25, 2025 • 9am - 3pm PT

Employment First is gaining momentum, yet many individuals with significant disabilities still hesitate to pursue competitive integrated employment. Learn proven strategies to braid community-based waiver services, build job skills, and create pathways to meaningful work.

One-Day Training
Customized Employment:

A person-centered approach to creating job opportunities.

July 9, 2025 • 9am - 3pm PT

Customized Employment is an effective approach for helping job seekers with disabilities find meaningful work. Learn how to engage employers, market candidates, and negotiate customized positions for lasting success. Experience a transformative shift in how you support job seekers and partner with employers.

Harbor Regional Center
21231 Hawthorne Blvd., Room A1A2
Torrence, CA 90503
