

Health & Safety Waiver Exemption Request

Join us to learn about the Health & Safety Waiver process which may be considered when the health & safety of an individual becomes more than what a service provider can support based on the existing program design and current rate structure. This process evaluates the individual's needs to determine whether additional funding can be provided to support the individual and their increased health & safety needs.

Presented by:

Mercedes Lowery, Manager of Service Provider Relations

Elizabeth Garcia-Moya, Manager of Resource Development
