10. HRC will pay vendors within 30 days of receiving confirmation/invoice

Helpful Tips

- ▶ If you have multiple programs, please make sure to include all vendor numbers and service codes in the agreement.
- ▶ Avoid delays by double checking your information for accuracy before you sign the DocuSign agreement. You will not be able to edit the agreement once a signature is entered.
- ▶ Provide DSPs with the correct vendor number and regional center. If DSPs register with the incorrect vendor number and regional center, it will delay payment.
- ▶ It is recommended that DSPs take both trainings on the same date as this will allow for both the regional center and service provider to track payments.
- ▶ Remind DSPs that the “Ethics Training” is **mandatory & must** be completed first. It is recommended for DSPs that work in day programs, residential, and employment services that they take the HCBS training that it is offered.
- ▶ DSPs are welcomed to take all three trainings, but will only be reimbursed for two.
- ▶ If possible, use employer assigned emails instead of personal email addresses.
