

HARBOR
REGIONAL CENTER

Who We Are

Harbor Regional Center provides innovative and person-centered services, support, and information that empower people with developmental disabilities and their circles of support to live their best lives in their culturally diverse communities.

We serve over 19,000 people and their families, who reside in the South Bay, Harbor, Long Beach, and southeast areas of Los Angeles County.

Harbor Regional Center is a private, non-profit 501(c)(3) organization.

While the individuals we serve and their families receive a wide range of services and supports through the regional center, there are many needs that arise that a regional center cannot cover.

To assist with these needs, we have the Harbor Help Fund (HHF) which can provide assistance with things such as emergency rent payments, food, and clothing.
