

LET YOUR VOICE BE HEARD

NATIONAL CORE INDICATORS (NCI) IN-PERSON SURVEY

Evaluate the services and supports you receive through your regional center and service providers.

Share your experiences to help better services!

Surveys address topics like:

- Rights
- Choices
- Service Planning
- Community Inclusion
- Health & Safety
- Other Important Topics

WHAT?

The NCI survey is for adults who are 18 years or older and receive at least one service from a regional center. There will be an interview held in person to ask you the survey questions.

WHY?

Let your regional center and the Department of Developmental Services (DDS) know what you think about your services.

Your survey answers will help your regional center and DDS understand how services and supports impact you, your family, and your loved ones.

HOW?

The State Council on Developmental Disabilities (SCDD) will contact you to schedule the interview at a time that works best for you.

The survey is voluntary, and your answers are confidential.

Questions? Email QAProject@SCDD.ca.gov or NCIHelp@dds.ca.gov
